

Spotlight on Huntington's Disease (2010): Vicki Wheelock

Spotlight on Huntington's Disease: Vicki Wheelock

Huntington's disease: New hope from stem cell therapies

Vicki Wheelock, M.D., spoke at the "Spotlight on Huntington's Disease," an educational event presented at the CIRM Governing Board meeting on March 11, 2010. Wheelock is a clinical professor in the department of neurology within the University of California, Davis Health System. She was introduced by Claire Pomeroy, M.D., M.B.A.

The CIRM-hosted event was presented in partnership with UC Davis at the California State Capitol Building.
